Foreward

When a student receives his high school annual, with it he receives an immortal remembrance of high school years.

To some people that remembrance is laughing at their pictures one day, and crying over the same picture the next day. It's only, for others, an every year occurance that comes every spring.

With the changing of the seasons comes a change in the activities occurring around the school.

Each season brings a new and exciting event varying from orientation to graduation.

The 1969 TURNERITE will serve as a remembrance, sad or happy, and to many of the graduating seniors a special reminder.

ORIENTATION

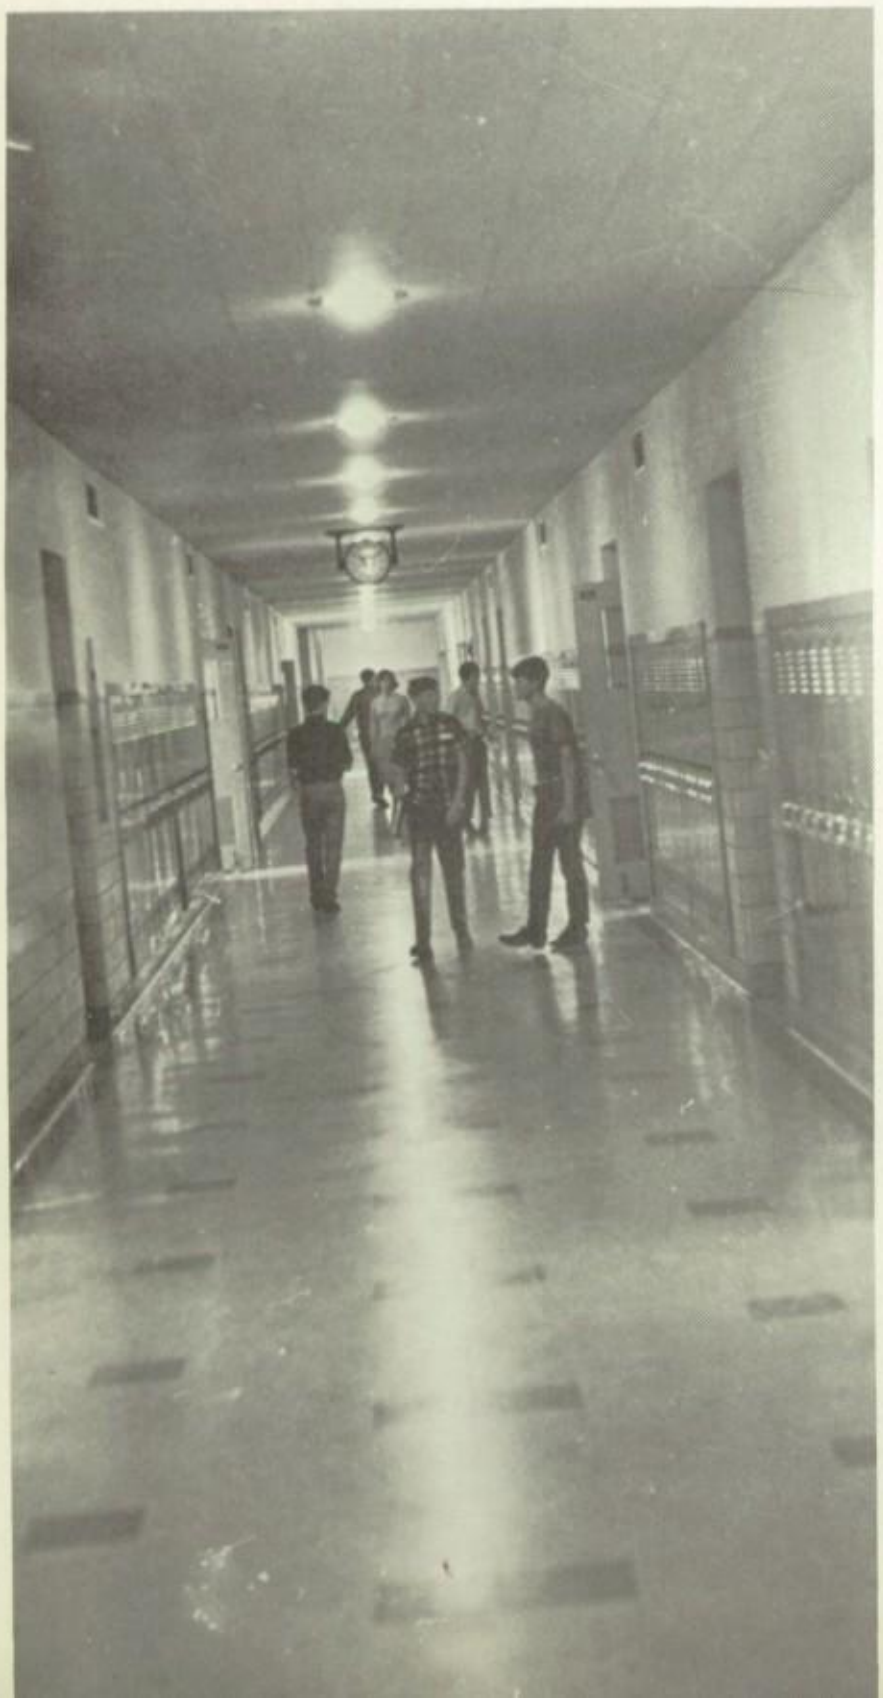
As a new class of sophomores entered the halls of Turner, a fresh wave of enthusiam and a promise of a successful year at Turner came with them.

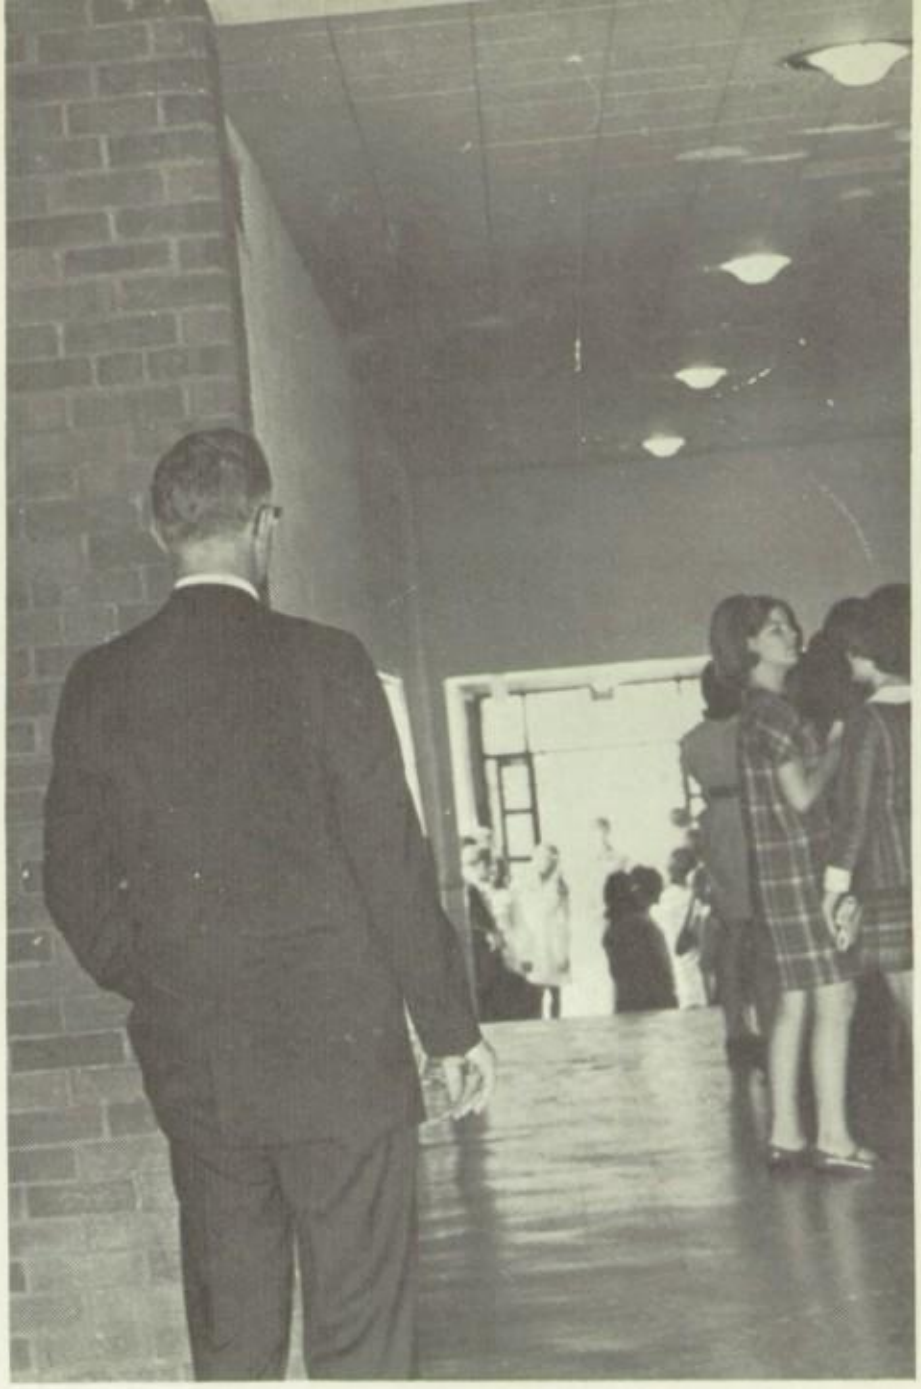
The class of '71 began the first of their successes with six of the sophomore girls gaining positions on the J.V. cheerleading squad. Along with cheerleading came sports, which brought many sophomore boys out for football, basketball and track.

The class of '71 should prove to be one of the finest to grace the halls of Turner.

As the seasons pass and their years at Turner fly, they will grow to be successful members of society, contributing to the prosperity of Turner.

The new students at Turner walk through the halls, looking over their new school.





Mr. Horton Bolin, vice-principal, looks on as sophomores congregate in the halls.

Students wait in line to pay their book rental fee the first day of school.

Mr. Lawhorn, principal, addresses the class of '71 while the teachers wait to be introduced.

VARSITY CHEERLEADERS

Cheer Golden Bears

To Victory

The Varsity Cheerleaders take on a large responsibility at Turner High School. They lead the Pep Club at games and pep assemblies in cheers to promote school spirit. They do their utmost to encourage the Bears to VICTORY!

During the summer the cheerleaders attended the International Cheerleading Foundation Camp at Manhattan, Kansas. They learned new cheers and pompom routines. During the week they competed against fifty other schools and brought home the black and gold grand championship ribbon. They were graded on cheers, pompom routines, jumps, tumbling, pep enthusiasm and their improvement over the week.

By sponsoring the Mr. Legs Contest, the cheerleaders raised money to buy new uniforms. Their brightly colored and attractive uniforms added sparkle and spirit to all the games.

PEP CLUB

Back 69' Bears at State

One of the most important organizations in the high school is the Pep Club. Their job was to develop school spirit and back all athletic events. The Pep Club showed much improvement this year. They doubled their size and tripled their spirit. The Pep Club took their spirit all the way to Wichita to watch the Golden Bears play in the State Tournament. Although not too active at the beginning of the year the boys Pep Club, consisting of over 150 boys, showed much enthusiasm at the State Tourney.

PEP ASSEMBLIES

The day of home basketball, and football games, a pep assembly was held to boost the spirit of the students as well as the players.

On important days such as Homecoming or a special basketball game, the letter girls and cheerleaders, entertain the student body with a skit to fit the occasion.

The assemblies proved to be a great asset as the Bears went on to be Co-Champs in football and fourth in State Basketball at the tournament in Wichita, Kansas.

Mr. Hamilton directs the pep band, made up of select band members, at one of the many pep assemblies.

Bob Houp, senior, plays at one of the pep assemblies held to boost the spirit of the students and faculty.

FOOTBALL

The Turner Golden Bears, coached by Bruce Bowman, finished their 1968 football season sharing the E. K. L. crown with Bonner High School. Each team finished with a 4-1 record in E. K. L. standings. The Argentine Mustangs handed the Bears their only loss in E. K. L. competition.

Outstanding performances came from numerous members of the team. Alan Swarts was selected as a defensive back on the all E. K. L. team and an offensive back on the All-Area Team. Other members of Turner's team who were chosen for the All E. K. L. team were: Rod Guy, linebacker; Robert Feaster, center; and Tom Spradling, offensive end.

Although half of the starting team were seniors and won't be returning next year, Coach Bowman has great potential in juniors such as Tom Owen, who started as quarterback this season, Jim Wicinski, flanker; and Sam Fry, who averaged 41 yards a punt. These juniors will plan an important part in the forming of next year's E. K. L. champs.

The Mr. Legs contest was sponsored by the varsity cheerleaders to raise money for new uniforms.

The five nominated candidates were: Steve Howard, nominated by varsity cheerleaders; Mike Pettey, junior varsity cheerleaders; Steve Cook, seniors; Terry Payne, juniors; and Steve Craubaugh, sophomores.

The student body voted on their choice for a penny a vote. They were allowed to vote as often as they wished.

The winner was announced at a special assembly; Cathy Webb, head varsity cheerleader, presented Steve Howard with a model leg and he was then wheeled around the gym in a decorated wagon on a victory ride.

HOMECOMING

Terri Greninger Reigns At 31st Annual Homecoming

The 31st annual Homecoming football game was October 30th, with a victory over the Ottawa Cyclones and the crowning of Terri Greninger, senior candidate, as 1968-1969 Homecoming Queen. Terri's attendants were Kathy Way, Beth Park and Debbie Decoster.

Several organizations prepared a float under the leadership of Miss Swartz and Mr. Don Bell. The crown shaped float was designed by the queen's sister, Karen Greninger. Before the game, there was a snake dance to arouse school spirit.

The Homecoming dance was November 1st, in the school gymnasium. "The Blue Velvets", played for the dance.

Team members this year were: Annic Moore, captain; Cathy Webb, Jetty Leach, Deb Ferbezar, Skeeter Wood, Cheryl Hutton, Linda Kresyman, Vicki McClintic, and Susie Kelly. CROSS COUNTRY

Bender and Davis Travel To State Meet

Placing 4th in the East Kansas League Cross Country Meet, the Turner Harriers finished a somewhat impressive season. The results of the season's competition proved to be as satisfying as last year's because of the tougher schedule this year.

Lowell Davis and Gary Bender each secured a spot in the top ten individual runners and traveled to Wamego, Kansas for the State cross country meet. Turner's team as a whole missed attending the state meet by only 12 points.

The Junior Varsity team also showed much potential during the '68 season. Finishing 3rd in the East Kansas League, Junior Varsity Division, Coach Joe Denk is hopeful for an E.K.L. championship in the 1969 season.

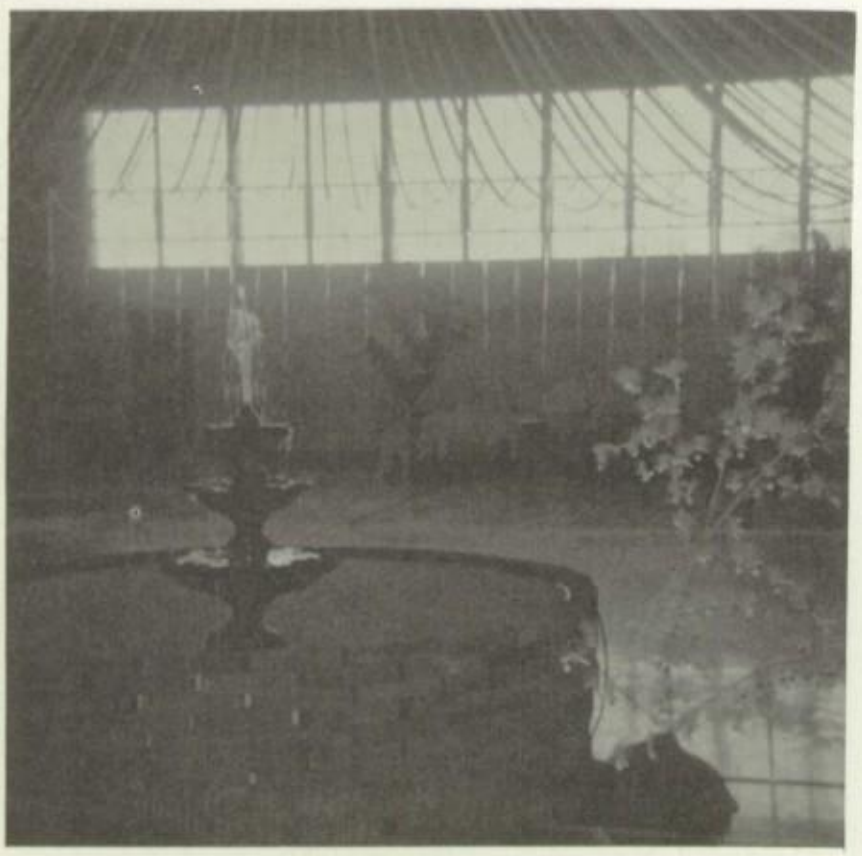
Juniors Dedicate Dance to Seniors

The Junior-Senior Prom, "Three Coins in a Fountain" proved to be a success as the juniors dedicated the night to the seniors. All guests were welcomed by the junior class president. Miss Grossidier and Mr. Voth acted as sponsors and directed the events of the evening.

Some couples danced to the music of KRAFT MUSIC HALL, while others enjoyed the refreshments. Each girl received as a remembrance of the night, three coins wrapped up in pink net. It was truly a night that will be remembered by all.

Students help themselves to refreshments.

The theme, "Three Coins in a Fountain", is exemplified in the middle of the dance floor.



The entrance is decked with multi-colored flowers leading into the enchanted ballroom.

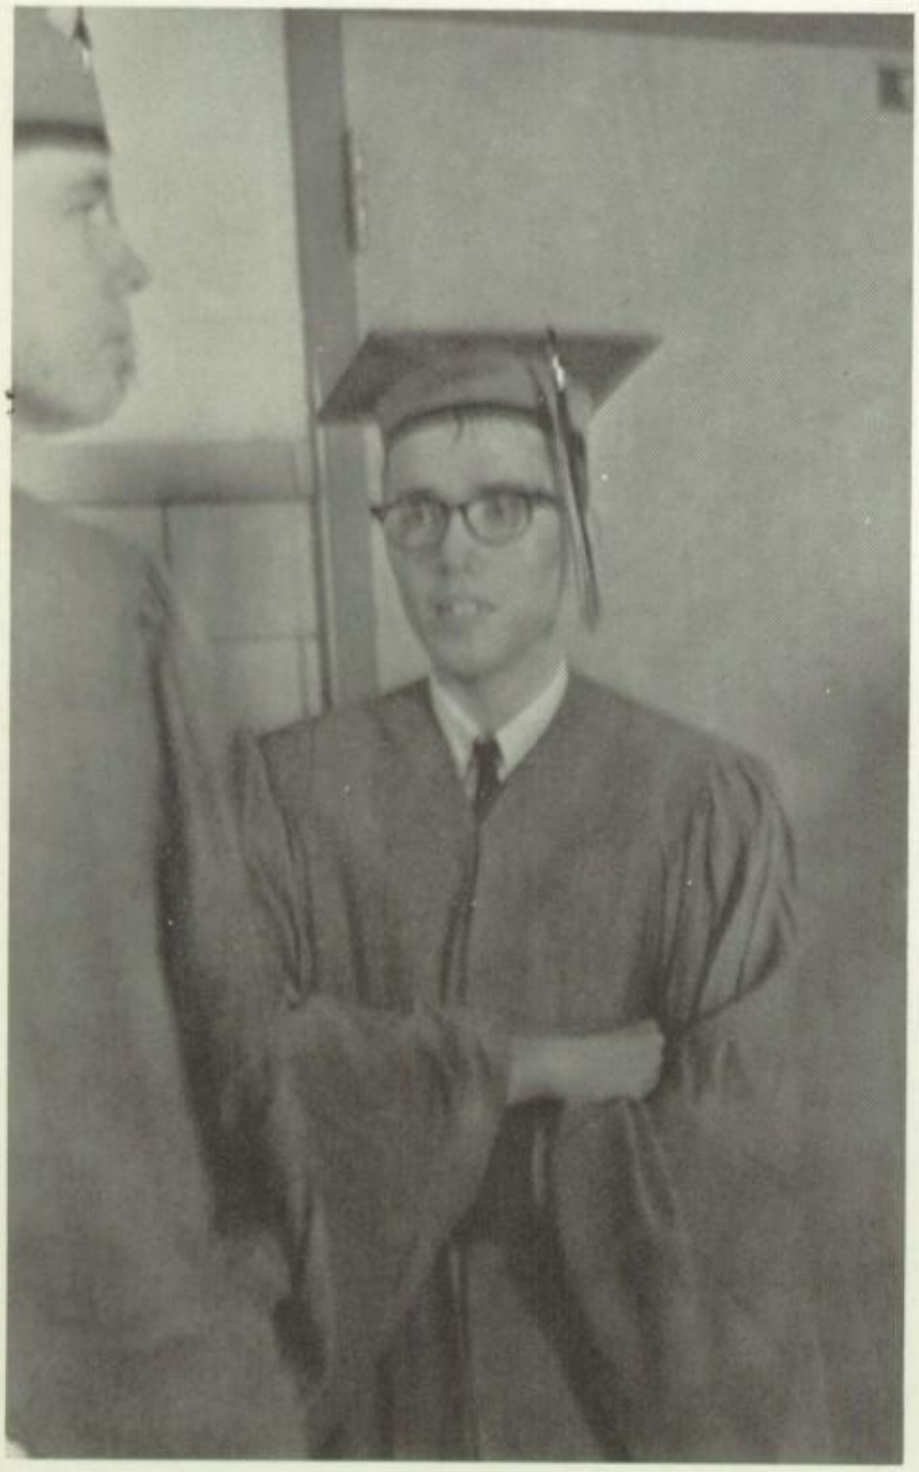
GRADUATION

Leaving the halls of Turner to face the outside world alone for the first time, the graduating class of '69 leaves many memorable moments, and look back to the excitement of being upperclassmen and the great responsibility of leading Turner. Faces of excitement along with a few tears show appreciation to the many people who helped the class of '69 to be the best.

They go away happy with the feeling that the senior year was the best ever brought to Turner. They're proud to know that they were co-champ's in Football and made fourth in the State Finals in Basketball.

The graduating class truly had a successful year and wish to thank everyone who was responsible through the years to help build them into strong, intelligent, young adults.

Jim Kobe and Mike Keilberg wait outside the auditorium for commencement to begin.



Shirley Phillips shakes Mr. Lawhorn's hand while receiving her diploma.

Guiding students with their daily problems was an important function of Turner's counselors: Miss Mildred Cunningham, senior counselor; Mr. Eldon Mailes, junior counselor; and Miss Nancy Oyler, sophomore counselor.

They acted as coordinators between students, principal, vice-principal, teachers, and parents with various dififculties that they had concerning school.

Other duties included administering tests, and counselling students for college and career opportunities.

Miss Cunningham, former teacher at Turner has been counselling here for two years, Mr. Mailes has also been counselling here for two years, and this was Miss Oyler's first year.

NURSE—LIBRARY

Adds Services to Student-School Life

Students are in need of a good school nurse to tell them they are fine and able to attend classes. Mrs. Pauline Creek provided us with this service; she also kept health records, administered first-aid for mnior ailments and refered students to family doctors for more serious illnesses.

Miss Keitha Peterson and Mrs. Betty Buckley worked diligently to make the library the magnificent one it is. From the fall of 1965, 60 extra shelves and over 2820 new books were added. Other new things were the vertical files which contain pamphlets on a wide variety of subjects, and over 129 records for learning. The integrated card catalog listed books, records, paperbacks, film strips and loop films for every subject.

LANGUAGES

Training to Communicate With Other Nationalities

With the increasing need for better training to communicate with other nationalities, Turner offers three foreign languages; Spanish, French, and Latin.

These languages are intended to give an opportunity to learn more about other people of the world.

It is almost essential that students today learn as much foreign language as possible. The world of tomorrow's leaders must be able to work closely together to preserve a world of peace.

SOCIAL SCIENCE

World Responsibility

Created in Studies

Man served as the nucleus of social studies exploration. Psychology classes evaluated his power of thought. Mental processes were analyzed and patterns of development and regression were examined. Sociology students broadened the scope of inquiry to include the entire society. Man's political behavior in the relation to the American Democratic System was analyzed by seniors enrolled in American Government. American History taken by juniors, was designed to inform people of the glorious past of the American nation.

The Social Science department is prepared to extend to any willing student the practical basis for becoming good citizens of the United States.

SCIENCE

Laboratory Provides Research Opportunities

One course of study at Turner High School that offers preparation in many fields is science. The Science Department has the job of teaching future members of the medical profession basic chemistry and biology. Many will be engineers enrolled in the physics course that is offered.

Turner's science labs gave students an opportunity to work with the modern equipment under the watchful eye of capable instructors. Much of the excellent laboratory equipment had been obtained in past years with the aid of the National Education Act. Courses included: Biology I & II, chemistry, and physics.

MATHEMATICS

Reasoning Ability Improves with Math

Mathematics occupies a very important part of everyone's life, and has become one of the most vital and emphasized courses in school. Mathematics, much like a jigsaw puzzle, was divided into various parts which combined to form the whole. Beginning mathematicians chose algebra I, taught by Miss Shirley Coffin. Middle-classmen progressed through algebra II and geometry. The final part of the puzzle was saught by advanced students enrolled in modern introductory analysis and business math. Whether the students planned to pursue a career in math or simply use their new deductive reasoning power to conquer chess ricals, each had gained a priceless tool of mathematical logic.

PHYSICAL EDUCATION

Meets the Demand For Physical Fitness

Physical Education plays an important part in the school curriculum. One full credit in physical education is required for graduation, and is usually completed in the freshman and sophomore years. Add Cultured Element To Student's Life

The music and art departments, headed by Mr. Erdman Johnson and Miss Elizabeth Choplin, respectively, have added much enjoyment to Turner this year. The choir participated in Christmas, Thanksgiving, Easter, and other musical assemblies.

Turner's music department presented its tenth annual musical "The Sound of Music".

Mr. Wayne Hamilton, director of the Turner Band, helped to promote and entertain spectators at home games and pep assemblies. Also the marching band performed in the American Royal Parade.

Students from art classes showed their artistic ability throughout the year in such projects as, the Christmas window and scenery for plays and show cases. Many art students showed their emotions, skill, and enjoyment through their art projects displayed.

COMMERCE

Practice Makes Perfect in Business

After graduation many students will go out into the world of business with its demanding efficiency. All students, including those who are college bound, need some business education to compete in the world. Typewriters clicked as students in Typing I and II strived for dexterity. Young executives mastered basic techniques and factual information in business law and communications while the world of dollars and cents, shorthand, and accounting were analyzed.

To those nearing completion of secretarial preparation, the office practice class provided the finishing touches for the management of a business office.

INDUSTRIAL ARTS

Handy Men Polish Vital Skills

The Industrial Arts Department endeavored this year to teach students skills which would be useful to them. The purpose of industrial arts is to give valuable training to boys who are interested in the industrial field as a possible vocation or as a hobby.

Turner has a well-equipped shop area which gives students opportunity to work with up-to-date machinery and gain actual experience through their work. Students and teachers alike realized when the car started, the printing press clicked, the radio worked, and the finished coffee table gleamed, that a skill was truly acquired.

The senior class of 1969 have left quite a lot of accomplishments to be remembered by: One could say they earned the title of "The Immortal Class of 1969."

One of the student teachers that comes to Turner, Jane Bowker, helps a senior English student.

The cheerful Lettergirls of 1968-69 stop for a picture during their busy schedule.

The underrated Bears prove stiff competition for Sumner.
